Typology: Bollard  
Tipología: Baliza

Environment: Outdoor  
Ambiente: Exterior

## Technical description / Descripción técnica:

### Atticus B/40

Net Weight: 3.99 lbs  
Peso Neto: 3.99 lbs

1 Box/Caja  
12.6 x 12.6 x 25.98 inches | 2.3867 ft³  
Gross Weight / Peso bruto: 6.37 lbs

### Atticus B/50

Net Weight: 4.23 lbs  
Peso Neto: 4.23 lbs

1 Box/Caja  
10.24 x 10.63 x 28.35 inches | 1.7849 ft³  
Gross Weight / Peso bruto: 6.39 lbs

Materials: Aluminum, Stainless steel, Polyethylene, Synthetic fiber.

Materiales: Aluminio, Acero inoxidable, Polietileno, Fibra sintética.

Metal surfaces coated with cathaphoresis and epoxy polyester paint.

Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Hand woven with a recyclable and non-toxic synthetic polyethylene fiber. Light source protected by UV resistant polyethylene globe.

Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica. Fuente de luz protegida por globo de polietileno y protección UV.

TRIAC Dimming system without switch. Does not include clampings lugs to surface.

No incluye tacos de sujeción a superficie. Sistema de regulación TRIAC sin interruptor.

Customizable: finish and height

Personalizable: acabado y altura

Certifications

Certificaciones

\*Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

## Finishing / Acabados

Natural White - Light Beige  
Blanco Roto - Beig Claro

Graphite Brown - Brown  
Marrón Grafito - Marrón

# Beddy A/02

Design / Diseño:  
Danos Salgados / 2018

Typology: Wall lamp  
Tipología: Aplique

Environment: Indoor  
Ambiente: Interior

## Technical description / Descripción técnica:

Net Weight: 2.54 lbs  
Peso Neto: 2.54 lbs

1 Box/Caja  
12.6 x 7.09 x 7.09 inches | 0.3661 ft³  
Gross Weight / Peso bruto: 3.24 lbs

Materials: Aluminum, Iron  
Materiales: Aluminio, Hierro

Lower diffuser: Polycarbonate  
Difusor inferior: Policarbonato

Weight capacity of the tray: 3.3 lbs.  
Shade rotation 350°.

Capacidad de carga de la bandeja: 1,5kg. Rotación de la pantalla 350°.

Surface back box: 2.95" x 7.68"  
Caja soporte: 7,5 x 19,5 cm

Must mount vertically on 2" x 4" rectangular junction box.

Nota importante: debe montarse verticalmente en una caja de conexiones rectangular de 2 x 4 pulgadas.

USB: 5V --- 1A

Customizable  
Personalizable

Certifications  
Certificaciones

## Lamps description / Descripción lámpara:

120V 60Hz DRY IP-20 4,2 W LED / CRI: 90 / 2700K  
5,5 W Total power consumption/ Consumo total

## Family / Familia: Bol

## Finishing / Acabados

# Bol M/37

Design / Diseño:  
Estudi Manel Molina / 2022

Typology: Table lamp  
Tipología: Mesa

Environment: Indoor  
Ambiente: Interior

## Technical description / Descripción técnica:

Net Weight: 5.07 lbs  
Peso Neto: 5.07 lbs

1 Box/Caja  
11.02 x 11.02 x 14.96 inches | 1.0524 ft³  
Gross Weight / Peso bruto: 5.73 lbs

Materials: Aluminum, Brass, Polycarbonate  
Materiales: Aluminio, Latón, Policarbonato

Direct and indirect diffused light  
Luz directa e indirecta

\*Push-Button:  
3 dimming position: 33% 66% 100%  
The lamp will turn on with the same light output as when it was switched off.  
Not suitable when the installation has a switch

\*Pulsador:  
3 posiciones de regulación: 33% 66% 100%  
La luminaria se encenderá con la misma intensidad de luz con la que se apagó.  
No utilizar para instalaciones con interruptor

Customizable: consult  
Personalizable: consultar

Additional CCT available upon request.  
Temperaturas de color adicionales disponibles bajo demanda.

# Cornet B/52 Outdoor

Design / Diseño:  
Alex Fernández Camps / 2017

Typology: Bollard  
Tipología: Baliza

Environment: Outdoor  
Ambiente: Exterior

## Technical description / Descripción técnica:

Net Weight: 11.24 lbs  
Peso Neto: 11.24 lbs

1 Box/Caja  
14.96 x 24.8 x 16.54 inches | 3.5508 ft³  
Gross Weight / Peso bruto: 16.42 lbs

Materials: Polyurethane, 316 Stainless steel, Aluminum.

Materiales: Poliuretano, Acero inoxidable 316, Aluminio.

Metal surfaces silver anodized.

Estructuras de metal acabado anodizado plata.

Two anchoring options:

1. Anchoring to ground, screws and anchors not included.
2. Anchoring for foundation, fasteners accessories not included.

Baliza con dos opciones de sujeción:

1. Fijación a suelo, tornillería y tacos no incluidos.
2. Fijación por cimentación, accesorio de anclaje no incluido.

GWFI: 960°

Hilo incandescente: 960°

Customizable: finish

Personalizable: acabado

Due to their material composition, cotton shades may show small dots that are part of the natural thread of the weave.

Las pantallas de Cotonet, debido al algodón natural con el que se realizan, pueden contener pequeños puntos más oscuros propios del hilo natural con el que se fabrican.

Due to their material composition, cotton shades may show small dots that are part of the natural thread of the weave.  
Las pantallas de Cotonet, debido al algodón natural con el que se realizan, pueden contener pequeños puntos más oscuros propios del hilo natural con el que se fabrican.

## Technical description / Descripción técnica:

**lbs** (Drip) Net Weight / *Peso Neto*: 1.39 lbs  
 (Drop) Net Weight / *Peso Neto*: 1.43 lbs

1 Box/Caja  
 9.45 x 8.66 x 8.66 inches | 0.4102 ft³  
 (Drip) Gross Weight / *Peso bruto*: 2.34 lbs  
 (Drop) Gross Weight / *Peso bruto*: 2.38 lbs

Materials: Aluminum, Iron, Glass / Polycarbonate  
 Materiales: Aluminio, Hierro, Vidrio / Policarbonato

Structure finish: ebony black  
 Acabado estructura color ébano negro

With switch  
 Con interruptor

Surface back box: ø 4.72"  
 Caja soporte: ø 12 cm

Must mount on 4" x 4" junction box.  
 Debe montarse en una caja de conexiones de 4x4 pulgadas.

Black coaxial cable. Cannot be cut or handled.  
 Consult for custom heights.  
 Cable coaxial negro. No se puede cortar o manipular.  
 Consultar para medidas especiales.

Customizable: finishing  
 Personalizable: acabado

Additional CCT available upon request.  
 Temperaturas de color adicionales disponibles bajo demanda.

Typology: Pendant lamp

Tipología: Suspensión

Environment: Outdoor

Ambiente: Exterior

## Technical description / Descripción técnica:

Net Weight: 4.83 lbs

Peso Neto: 4.83 lbs

1 Box/Caja

14.57 x 18.5 x 18.5 inches | 2.8852 ft³

Gross Weight / Peso bruto: 7.89 lbs

Materials: Brass, Iron, Medium density polyethylene.

Materiales: Latón, Hierro, Polietileno de media densidad.

Low voltage 24 DC upon request

Baja tensión 24 DC bajo pedido

Metal surfaces coated with cathaphoresis and epoxy polyester paint.

Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Light source protected by UV resistant polyethylene globe.

Fuente de luz protegida por globo de polietileno y protección UV.

Black waterproof neoprene cable without switch.

Cable sin interruptor de neopreno negro resistente al agua.

Customizable: finish

Personalizable: acabado

\*Bulbs not included

\*Bombillas no incluidas

Typology: Ceiling lamp

Tipología: Plafón

Environment: Outdoor

Ambiente: Exterior

## Technical description / Descripción técnica:

Net Weight: 4.83 lbs

Peso Neto: 4.83 lbs

1 Box/Caja

24.02 x 24.02 x 15.75 inches | 5.2562 ft³

Gross Weight / Peso bruto: 7.89 lbs

Materials: Brass, Iron, Aluminum, Medium density polyethylene.

Materiales: Latón, Hierro, Aluminio, Polietileno de media densidad.

Low voltage 24 DC upon request

Baja tensión 24 DC bajo pedido

Metal surfaces coated with cataphoresis and epoxy polyester paint.

Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Light source protected by UV resistant polyethylene globe.

Fuente de luz protegida por globo de polietileno y protección UV.

Customizable: finish

Personalizable: acabado

In case of projects where different Folie models are used, please request flat diffusers to avoid visual differences between lamps.  
En caso de proyectos en los que se utilicen diferentes modelos de Folie, por favor, solicite que todos los difusores sean planos para evitar diferencias visuales entre las lámparas.

Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Technical description / Descripción técnica:

**Net Weight: 8.07 lbs**  
*Peso Neto: 8.07 lbs*

**1 Box/Caja**  
24.02 x 24.02 x 15.75 inches | 5.2562 ft³  
**Gross Weight / Peso bruto: 14.33 lbs**

**Materials:** Aluminum, Stainless steel, Polyethylene, Syntetic fiber.  
*Materiales:* Aluminio, Acero Inoxidable, Polietileno, Fibra Sintética.

**Low voltage 24 DC upon request**  
*Baja tensión 24 DC bajo pedido*

**Metal surfaces coated with cataphoresis and epoxy polyester paint.**  
*Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.*

**Hand woven with a recyclable and non-toxic synthetic polyethylene fiber. Light source protected by UV resistant polyethylene globe.**  
*Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica. Fuente de luz protegida por globo de polietileno y protección UV.*

**Black waterproof neoprene cable. Stainless steel tensor cable.**  
*Cable de neopreno negro resistente al agua. Cable tensor acero inoxidable.*

**Custom options upon request**  
*Opciones de personalización bajo demanda*

**Certifications**  
*Certificaciones*

**Spare parts / Recambios:**

Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

# Kando P/76/R Outdoor

Design / Diseño:  
Joana Bover / 2024

Typology: Floor lamp  
Tipología: Pie

Environment: Outdoor  
Ambiente: Exterior

## Technical description / Descripción técnica:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                 |

Please note that the shades may have small variations in tone. / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Typology: Bollard  
Tipología: Baliza

Environment: Outdoor  
Ambiente: Exterior

## Technical description / Descripción técnica:

Net Weight: 28.35 lbs  
Peso Neto: 28.35 lbs

1 Box/Caja  
18.9 x 10.63 x 11.42 inches | 1.3273 ft³  
Gross Weight / Peso bruto: 32.52 lbs

Materials: Iron, Concrete, 316 Stainless steel  
Materiales: Hierro, Cemento, Acero inoxidable 316

### Two anchoring options:

1. Anchoring to ground, screws and anchors not included.
2. Anchoring for foundation, fasteners accessories not included (R19213).

Baliza con dos opciones de sujeción:

1. Fijación a suelo, tornillería y tacos no incluidos.
2. Fijación por cimentación, accesorio de anclaje no incluido (R19213).

\* Please note that a power supply is required to complete the light fixture.

\*Por favor, tenga en cuenta que se necesita una fuente de alimentación para completar la luminaria.

Weather and climatic conditions such as temperature or humidity changes and exposure to sunlight can affect the cement, causing expansion and contraction, and modifying its appearance superficially.  
Las condiciones climáticas en exterior tales como cambios de temperatura, cambios de humedad, y exposición a luz solar pueden alterar el aspecto del cemento, provocar dilataciones y contracciones que modifiquen su apariencia de una manera superficial.

Hand woven with a recyclable and non-toxic synthetic polyethylene fiber.  
Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica.

Metal surfaces coated with cataphoresis and epoxy polyester paint.  
Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Metal surfaces coated with cathaphoresis and epoxy polyester paint.

Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Metal surfaces coated with cataphoresis and epoxy polyester paint.  
Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Metal surfaces coated with cataphoresis and epoxy polyester paint.  
Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Hand woven with a recyclable and non-toxic synthetic polyethylene fiber.  
Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica.

Metal surfaces coated with cataphoresis and epoxy polyester paint.  
Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Hand woven with a recyclable and non-toxic synthetic polyethylene fiber.  
Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica.

Metal surfaces coated with cataphoresis and epoxy polyester paint.  
Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.  
Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

## Technical description / Descripción técnica:

Net Weight: 23.24 lbs  
Peso Neto: 23.24 lbs

1 Box/Caja  
32.28 x 32.28 x 19.29 inches | 11.6362 ft³  
Gross Weight / Peso bruto: 31.31 lbs

Materials: Aluminum, HPL, Synthetic Fiber /  
Nautical Cord.

Materiales: Aluminio, HPL, Fibra sintética / Cordón  
Náutico.

On-Off Switch.

3 lighting position: 33% 66% 100%.

Battery charging time: +/- 12 hours.

Battery duration time at 100%: +/- 8 hours.

Battery duration time at 66%: +/- 12 hours.

Battery duration time at 33%: +/- 24 hours.

Interruptor On-Off.

3 posiciones de regulación: 33% 66% 100%.

Tiempo de carga: +/- 12 horas.

Duración batería al 100%: +/- 8 horas.

Duración batería al 66%: +/- 12 horas.

Duración batería al 33%: +/- 24 horas.

Hand woven with a recyclable and non-toxic  
synthetic polyethylene fiber.

Pantallas tejidas a mano con fibra de polietileno  
sintética reciclable y no tóxica.

Light source protected by polycarbonate diffuser.

Fuente de luz protegida por difusor de policarbonato.

Adapter for plugs A, C, G type.

Adaptador para clavijas de tipo A, C, G.

USB Type C: 5Vdc === 1,5A

## Family / Familia: Noren

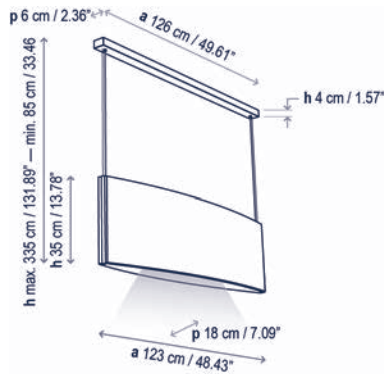

# Noren S/123

Design / Diseño:  
Estudi Manel Molina / 2023

Typology: Pendant lamp  
Tipología: Suspensión

Environment: Indoor  
Ambiente: Interior

## Technical description / Descripción técnica:

Net Weight: 22.71 lbs  
Peso Neto: 22.71 lbs

1 Box/Caja  
63.39 x 8.27 x 22.44 inches | 6.8051 ft³  
Gross Weight / Peso bruto: 27.78 lbs

Materials: Aluminum, Basotect Sound Absorbing Foam, Thermoplastic Fabric (Crevin®), MDF.  
Materiales: Aluminio, Espuma Fonoabsorbente Basotect, Tejido Termoplástico (Crevin®), MDF.

Acoustic absorption class: aw A

According to:  
UNE-EN ISO 11654:98  
ASTM C423-22

Clase de absorción acústica: aw A

Conforme a:  
UNE-EN ISO 11654:98  
ASTM C423-22

Shade GWF: 650 °C  
Hilo incandescente pantalla: 650 °C

Design / Diseño:  
Estudi Manel Molina / 2023

Typology: Pendant lamp  
Tipología: Suspensión

Environment: Indoor  
Ambiente: Interior

## Technical description / Descripción técnica:

Net Weight: 27.84 lbs  
Peso Neto: 27.84 lbs

1 Box/Caja  
63.39 x 8.27 x 22.44 inches | 6.8051 ft³  
Gross Weight / Peso bruto: 32.32 lbs

Materials: Aluminum, Basotect Sound Absorbing Foam, Thermoplastic Fabric (Crevin®), MDF.  
Materiales: Aluminio, Espuma Fonoabsorbente Basotect, Tejido Termoplástico (Crevin®), MDF.

Acoustic absorption class: aw A  
According to:  
UNE-EN ISO 11654:98  
ASTM C423-22

Clase de absorción acústica: aw A  
Conforme a:  
UNE-EN ISO 11654:98  
ASTM C423-22

Shade GWFI: 650 °C  
Hilo incandescente pantalla: 650 °C

Please note that the shades may have small variations in tone / Por favor, tenga en cuenta que los tonos de color de la pantalla pueden no ser los mismos en todos los casos.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Nans S/31.2 Outdoor

Design / Diseño:  
Joana Bover / 2022

Typology: Pendant lamp  
Tipología: Suspensión

Environment: Outdoor  
Ambiente: Exterior

Technical description / Descripción técnica:

**Net Weight:** Consult  
*Peso Neto:* Consultar

**1 Box/Caja** | Consult / Consultar  
**Gross Weight:** Consult/*Peso bruto:* Consultar

**Materials:** Stainless steel, Aluminum, Synthetic Fiber.  
*Materiales:* Acero Inoxidable, Aluminio, Fibra Sintética.

**Diffuser:** Polycarbonate  
*Difusor:* Policarbonato

**Metal surfaces coated with cataphoresis and epoxy polyester paint.**  
*Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.*

**Hand woven with a recyclable and non-toxic synthetic polyethylene fiber.**  
*Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica.*

**Graphite Brown Structure**  
*Estructura Marrón Grafito*

**Customizable:** consult  
*Personalizable:* consultar

**For tree applications, consult page 296**

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Design / Diseño:  
Joana Bover / 2023

Typology: Pendant lamp  
Tipología: Suspensión

Environment: Outdoor  
Ambiente: Exterior

Technical description / Descripción técnica:

**Net Weight:** Consult  
*Peso Neto:* Consultar

**1 Box/Caja** | Consult / Consultar  
**Gross Weight:** Consult/Peso bruto: Consultar

**Materials:** Aluminum, Synthetic Fiber, Stainless steel.  
*Materiales:* Aluminio, Fibra Sintética, Acero Inoxidable.

**Diffuser:** Polyethylene  
*Difusor:* Polietileno

**Metal surfaces coated with cataphoresis and epoxy polyester paint.**  
*Estructuras de metal acabadas con cataforesis y pintura de poliéster epoxi.*

**Hand woven with a recyclable and non-toxic synthetic polyethylene fiber.**  
*Pantallas tejidas a mano con fibra de polietileno sintética reciclable y no tóxica.*

**Graphite Brown Structure**  
*Estructura Marrón Grafito*

**Customizable:** consult  
*Personalizable:* consultar

**Certifications**  
*Certificaciones*

Note of use: For environments with a high salinity, proper maintenance of the luminaire will be necessary. We recommend cleaning it with a soft brush and remove salt, dust, or dirt deposited by moisture or wind.

Nota de uso: Para ambientes con alto grado de salinidad, será necesario realizar un correcto mantenimiento de la luminaria. Recomendamos limpiar con un cepillo suave y retirar la sal, el polvo, o la suciedad depositada por la humedad o el viento.

Due to their material composition, cotton shades may show small dots that are part of the natural thread of the weave.  
Las pantallas de Cotonet, debido al algodón natural con el que se realizan, pueden contener pequeños puntos más oscuros propios del hilo natural con el que se fabrican.

## Technical description / Descripción técnica:

Net Weight: 1.61 lbs  
Peso Neto: 1.61 lbs

1 Box/Caja  
5.91 x 18.5 x 9.06 inches | 0.5721 ft³  
Gross Weight / Peso bruto: 3.09 lbs

Materials: Iron, Aluminum  
Materiales: Hierro, Aluminio

### \*Push-Button:

3 dimming position: 33% 66% 100%  
The lamp will turn on with the same light output as when it was switched off.  
Not suitable when the installation has a switch. In this case, use a reference without push button.

### \*Pulsador:

3 posiciones de regulación: 33% 66% 100%  
La luminaria se encenderá con la misma intensidad de luz con la que se apagó.  
No utilizar para instalaciones con interruptor. En ese caso, escoger la referencia sin pulsador.

Beam angle 36° standard  
Óptica 36° apertura estándar

# Tria 05 Outdoor

Design / Diseño:  
Ruben Saldaña / 2015

Typology: Wall lamp  
Tipología: Aplique

Environment: Outdoor  
Ambiente: Exterior

## Technical description / Descripción técnica:

Net Weight: 11.02 lbs  
Peso Neto: 11.02 lbs

1 Box/Caja  
17.72 x 17.72 x 4.33 inches | 0.7875 ft³  
Gross Weight / Peso bruto: 13.89 lbs

Materials: Aluminum or Teak wood  
Materiales: Aluminio o Madera de teka

Adjustable frontal  
Frontal orientable

Surface back box: ø 4.72"  
Caja soporte: ø 12 cm

Customizable: finish  
Personalizable: acabado

Certifications  
Certificaciones

## Lamps description / Descripción lámpara:

120V 60Hz WET IP-66 TRIAC 11,5 W LED / CRI: 90 / 2700K  
14 W Total power consumption/ Consumo total

# Urban PF/90

Design / Diseño:  
Joana Bover / 2011

Typology: Ceiling lamp  
Tipología: Plafón

Environment: Indoor  
Ambiente: Interior

## Technical description / Descripción técnica:

Net Weight: 25.57 lbs  
Peso Neto: 25.57 lbs

1 Box/Caja  
35.83 x 36.22 x 10.24 inches | 7.687 ft³  
Gross Weight / Peso bruto: 40.7 lbs

Materials: Iron  
Materiales: Hierro

Dali option: consult  
Opción Dali: consultar

Lower diffuser: Polycarbonate  
Difusor inferior: Policarbonato

Shade GWF: 960°  
Hilo incandescente pantalla: 960°

Customizable  
Personalizable

Certifications  
Certificaciones

Spare parts / Recambios:

R04325DIF

| 1118505U/P297 | Satin Nickel<br>White Cotton Shade<br>Níquel Satinado<br>Pantalla Cotonet Blanco                       | —      | 501.00  |

Due to their material composition, cotton shades may show small dots that are part of the natural thread of the weave.  
Las pantallas de Cotonet, debido al algodón natural con el que se realizan, pueden contener pequeños puntos más oscuros propios del hilo natural con el que se fabrican.

|                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                |
|-------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|    | Only basic insulation, accessible conductors are earthed. Grounding: compulsory.                                                                                                                                                                                                                                                                                                                                     | Solo aislamiento básico. Las partes accesibles están conectadas a una toma de tierra. Toma de tierra: obligatoria.                                                                                                                                                                                                                                                                                                             |
|    | Basic Insulation plus second Insulation or both replaced by reinforced Insulation. Grounding: excluded.                                                                                                                                                                                                                                                                                                              | Aislamiento básico más aislamiento secundario o ambos sustituidos por un aislamiento reforzado. Toma de tierra: excluida.                                                                                                                                                                                                                                                                                                      |
|    | Very low safety supply voltage; not to be used at over 12V (at 50 Hz). Grounding: excluded.                                                                                                                                                                                                                                                                                                                          | Alimentación de seguridad realizada a muy bajo voltaje. No debe usarse a más de 12V (a 50Hz). Toma de tierra: excluida.                                                                                                                                                                                                                                                                                                        |
|    | Suitable for mounting on normally flammable surfaces.                                                                                                                                                                                                                                                                                                                                                                | Aparato adecuado para el montaje directo sobre superficies normalmente inflamables.                                                                                                                                                                                                                                                                                                                                            |
|    | Products identified with this symbol CANNOT be in contact with normally-flammable materials.                                                                                                                                                                                                                                                                                                                         | Luminarias no adecuadas para el montaje directo en superficies normalmente inflamables.                                                                                                                                                                                                                                                                                                                                        |
|    | All products are manufactured according to the set safety and electromagnetism standards of Europe: EN 60598-1, EN 60598-2-1 and marked CE.                                                                                                                                                                                                                                                                          | Todos los productos están fabricados siguiendo las normas de seguridad y electromagnetismo de Europa: EN 60598-1, EN 60598-2-1 y marcado CE.                                                                                                                                                                                                                                                                                   |

|    | Measurements are always given in centimeters.<br>l = length / a = width / h = high / p = deep / ø = diameter                                                                                                                                                                                                                                                                                                         | Las medidas se especificarán siempre en cms.<br>l = largo / a = ancho / h = alto / p = profundo / ø = diámetro                                                                                                                                                                                                                                                                                                                 |
|    | Protection degree offered by the fixture to the ingress of solids and liquids. First figure, protection against solid bodies penetration. Second figure, protection against water penetration.                                                                                                                                                                                                                       | Índice de protección contra la penetración de cuerpos sólidos y líquidos. La primera cifra indica la penetración de cuerpos sólidos y la segunda cifra la infiltración de agua.                                                                                                                                                                                                                                                |
|    | Totally protected against dust ingress. Protected against high pressure water jets from any direction. Limited ingress permitted.                                                                                                                                                                                                                                                                                    | Protección completa contra contacto, protección contra penetración de polvo. Protegido contra la penetración de agua en caso de inyección pasajera.                                                                                                                                                                                                                                                                            |
|    | Full contact protection, protection against dust penetration. Protected against water jets (from all directions).                                                                                                                                                                                                                                                                                                    | Protección completa contra contacto, protección contra penetración de polvo. Protegido contra los chorros de agua (desde todas las direcciones).                                                                                                                                                                                                                                                                               |
|    | Complete protection against contact, protection against sedimentation of dust inside. Protected against water spray.                                                                                                                                                                                                                                                                                                 | Protección completa contra contacto, protección contra sedimentaciones de polvos en el interior. Protegido contra agua pulverizada.                                                                                                                                                                                                                                                                                            |
|   | Protected against solid bodies above 12 mm diameter<br>No protected against water.                                                                                                                                                                                                                                                                                                                                   | Protección contra cuerpos sólidos de más de 12mm<br>Sin protección contra el agua.                                                                                                                                                                                                                                                                                                                                             |

|  | It indicates that the product, in the points that are considered as weaker, can withstand a harmful mechanical impact of a polyamide piece or rounded steel weighing 1.7kg and falling from a height of 295mm.                                                                                                                                                                                                       | Indica que el envoltorio, en los puntos que se consideran como más débiles, puede soportar un impacto mecánico nocivo de una pieza poliamida o de acero redondeada de peso 1.7kg y que cayera desde una altura de 295mm.                                                                                                                                                                                                       |
|  | This symbol on the product or its packaging indicates that it must not be treated as household waste. It should, in fact, be handed at a recognised collection point for recycling electrical and electronic equipment. For more detailed information about the recycling of this product, please contact your local city office, your household waste disposal service or the shop where you purchased the product. | Este símbolo en su equipo o embalaje indica que el presente producto no puede ser tratado como residuo doméstico normal, sino que debe entregarse en el correspondiente punto de recogida de equipos eléctricos y electrónicos. Para recibir información detallada sobre el reciclaje de ese producto, por favor, contacte con su ayuntamiento, su punto de recogida más cercano o el distribuidor donde adquirió el producto. |

# Terms and conditions

Prices do not include Sales Tax.

BOVER IL·LUMINACIÓ I MOBILIARI reserves the right to alter, without previous notice, its products (measurements and finishes).

## GENERAL SALES CONDITIONS

MAP (Minimum Advertised Price) Policy.

Official retailers of Bover USA, Inc. must adhere to full retail pricing and cannot advertise or promote Bover products online, via direct email marketing or social media at a price less than the list price.

Prices are FOB Atlanta, GA and are listed in U.S. Currency. Prices are subject to change.

Special Packaging Policy.

Costs associated with special packaging requirements for any orders are subject to inclusion on final invoice even if shipping on end user or 3rd party accounts.

Any order over \$10,000.00 requires 50% deposit, even for those accounts with net terms.

Any order that has modified products requires 100% pre-payment.

Any order that arrives and is stored longer than 2 weeks will then be subject to have 5% of net on amount of goods added as storage fee per week or \$500 per week fee (whichever is lower cost).

Orders canceled after production has begun, even if not yet shipped, may be subject to a 30% re-stock fee.

## CLAIMS AND RETURNS

Claims should be informed maximum within 4 days from reception date.

Any claim referred to a damage, breakage of merchandise due to transport mishandling will not be Bover's responsibility and must be claim to client or end user freight forwarder.

No complaints will be accepted due to client's misuse of goods.

Bover will not accept returns of their products without having its expressed approval. No return will be considered after 30 days from date of invoice.

Approved returns are subject to 30% re-stock fee upon receipt of goods in "new" condition. Condition less than "new" may result in refusal of return.

No shipping fees will be subject for refund or credit.

Credit Memo is for credit only, to be used within one year of credit memo date. No refund on credit memos will be granted.

Property and authority to recover goods remains with BOVER USA INC until payment has been made in full.

Order confirmation implies acceptance of the these general conditions of sale.

Jurisdiction: In the event of any dispute, it will refer to Spanish jurisdiction.

## WARRANTY

The warranty for Bover products extends for 3 years from date of invoice from authorized distributors. Bover guarantees all products to be free from manufacturing defects.

Warranty will not be considered valid in cases from which defect or damage occurred from inappropriate usage, mishandling, improper installation, any field modifications, or incorrect application of the product. Furthermore, for those products using natural materials such as wood or leather and for those products featuring mouth blown glass, minor imperfections of natural occurrence to the typology of material may not be considered as defective.

Warranty does not extend to bulbs which may be included with some products.

Bover USA reserves the right to repair defective items and components rather than full replacement whenever possible.
